## **Information about the \$400 Property Tax Rebate**

---

### **Check the Status of Your Rebate**

To date, Finance has mailed over 635,000 rebate checks to homeowners throughout the City, totaling over \$254 million. Please refer to "Replacements for Rebate Checks" below if you did not receive your rebate check and feel that you were entitled to one.

### **Replacements for Rebate Checks**

There are many reasons why you might need a replacement rebate check: You lost the check; your dog ate it; you accidentally destroyed it; the check was lost in the mail, so you never received it; the check had the wrong name on it; or the name was misspelled.

Whatever the problem, call Finance Customer Assistance at 212-504-4080 or [contact them online](#) to request a replacement check.

If you received a check made out to a former owner, please return this check to:

Rebate Correction  
NYC Department of Finance  
1 Centre Street – Room 500  
New York, NY 10007

[Remember to tell them your name, address and phone number]

You may not need a replacement check if the check is made out to several owners of the property including one who is deceased, you should not need a replacement. Generally, banks will allow the living owners to deposit the check. The same is true for a check with a misspelled name, unless the misspelling is unrecognizable as your name.

If have you have already contacted Finance regarding a replacement check, please allow 6 weeks for it to arrive in the mail. If you did not receive a rebate check, and believe that you were entitled to one, please contact them via the e-mail link above.
